Match Report:

Glen Waverley Hawks only had 10 players so we gave them 6 of ours which was great because everybody got to play 4 quarters. Once again our boys played really well and there was some great improvement in a few of the boys this week it was great to see Nico and Charlie going in and getting the ball and really putting in big efforts. Logan's back to his best. Kicking a couple of goals - he is a little excitement machine when he has the ball anywhere near the goals. It was great to see Bailey kick his first goal and Ben Gasparroni seems really comfortable holding up the backline.

I was very proud of our boys that volunteered to go and play for the other team it showed great sportsmanship and G/W Hawks coach commented on what a great bunch of kids they were.

Once again improving every week. A few things to work on at training: being first to the ball and thinking about where we are going to kick the ball, and let's try and work on our centre clearances. Overall really proud of you guys! Keep up the hard work at training and it will all start to fall into place.

Great effort

Match Report:

Another great game by the boys . After a slow start , the boys really dominated after ¼ time . Riley Mac was in everything again , as was Trae , who had it about 15 times . Corey was holding up the backline as usual with Cameron and Luke . Conner was his usual self , going in hard and stripping the ball and Kyle really had a go this week and got some good touches . Cadyn did as he seems to do every week and kick a goal and his running to pick opponents up is impressive . Blake again kicked a goal and has improved out of sight since the start of the year . Will and Kahu were very good again and the only thing that stopped them from dominating was having to spend time in the backline . Anthony and Dylan were good again just didn't get the opportunities . Josh and Liam were fantastic and did the team things all game , Josh was courageous as usual and Liam's handball gives . Brock and Tom were a little quiet this week but I expect them to bounce back next week . Super game boys . Thank you to all my helpers , we have a great group of parents and never have to ask anyone to do anything , that's probably because Sally's already sorted it , well done Sally , Ty

Ferntree Gully vs Mooroolbark

Score:		Goals	Behinds	Total
	Ferntree Gully	6	0	36

Best Players: X man, Deklan, QB, Sauce, Macca, Crusher, Chowman, Tongueman

Goal Kickers: QB x 2, X man, Sauce, Crusher, Thomas U

Injuries

Presidents Medal: X Man, Deklan, QB

Next Game: Chirside Park at Kimberley Reserve, Chirside Park

Match Report:

A cold frosty morning was awaiting us as we arrived at Mooroolbark. Negative 1.7 degrees and the grass was snapping under our feet. I took the boys for a number of runs up and down the ground to warm up and get an advantage but sadly our fitness mustn't be up to standard as we must have been tired as Mooroolbark kicked 5 goals to 1 in the 1st quarter!

We spoke about sticking to our man as Mooroolbark only kicked goals through our loose checking defensively. After ¼ time our backmen led by TONGUEMAN did a great job sticking to their opponents. MONEYBAGS, JAZZY, KEITH, HI HO, WISEY and especially NICKO did a fantastic job stopping their opponent and pumping the ball out of the backline.

Our midfield started to get on top and didn't allow the play to be free flowing. This reduced their running game and CRUSHER started to hurt the opposition, CHOWMAN and TUFFMAN RORZA were having a big crack around the packs and BIG SAUCE was again a dominant force around the ground. TEX was running the wing as hard as Leigh Montagna and REEDY was winning the footy on the other wing.

I told our forwards that they had to play in front as the Mooroolbark half back line were taking too many marks. QB listened and started to dominate in the air and kicking great goals, THOMAS U was super skilful, TANK stepped up to be a bulldozer whilst DEKLAN & KEG were sharing the ball and looking after their little mates. This allowed something special to happen.....allow me to be Denis Cometti

NICKO to JAZZY who passes to TUFFMAN RORZA who barges through the pack, handballs to QB who dishes it to CRUSHER, CHOWMAN runs past and kicks it long to MONEYBAGS, cleverly taps it in front of TEX who is well shepherded by TANK. BIG SAUCE can't hold the grab but the ball spills to REEDY who kicks LOOOOONNNGGGG to the XMAN, XMAN works his opponent under the ball, double backs chasing the footy, picks it up and looks to kick it but he's had his head ripped off by his opponent. It will

Coaches reports to be email to gail.eaglesifc@bigpond.com by close of business Wednesday.

be tough to get up from that one Bruce. XMAN gingerly gets up assisted by KEG and DEKLAN. It looks like he'll take the kick. It's a very tough angle and he's kicking into a stiff breeze, this is a very big moment in the game, if he slots this the EAGLES are a chance. XMAN spins the ball, it looks like it will be a drop punt, it will be hard to concentrate as the crowd is going crazy, he goes back 3 more steps, walks in, head over the footy he makes good contact, very good contact, it sails high very high, the breeze is holding it up but geez it's a good kick Bruce, straight through the middle! That could be GOAL OF THE YEAR!

It's fair to say that no one cares that we lost the game. The boys played fantastic after ¼ time and the XMAN goal was a massive highlight that had the runner jumping higher than the guys in the Toyota advert, his coach and assistant coach in tears, his old man Steve proud as punch and XMAN doing little fist pumps looking to rotate into the middle and take over at the stoppages.

A ripping day at the office.

Match Report:

Yet another close match in which we were able to come away with a victory, currently the boys are 8-2 with only 3 games this season having a margin greater than 3 goals at the final siren.

The Eagles after an extremely tough match against an even opponent last week, they came out flat and were unable to get out of that funk for the entire game. While it was not a pretty match, the boys managed to hold the lead for the whole game, the scores getting to within 2 points until Jake Simpson kicked a great goal off 1 knee in the goal square with 4 minutes left in the match and we walked off with a 8 point win at the final siren.

Hopefully with the school holidays starting soon it will give the boys a new release of energy for the final rounds of the season.

The worthy winner of the round 10 Presidents Medal was Mitch Tucker, in this game and throughout the season Mitch has put in great efforts deep in the backline, holding his opponents to very few possessions and greatly improving his own game.

Match Report:

On Sunday we had a home game against Ringwood. The boys came out ready to play and manage to put the first score on the board, they maintained the momentum and the whole team put in a solid effort. It was a great game between the two teams with Ringwood hard at the ball and providing some great contests. The boys stayed focussed for the full four quarters and had a resounding victory. It was great to see so the spread of goal scorers and in general all the boys play as a team, supporting each other for the whole game. We look forward to the a positive training session this Wednesday and focussing on the challenge of Blackburn this Sunday. Go Eagles

Match Report:

Todd Kenny put his hand up to play for the first time this season and was rewarded with a goal for his efforts.

The boys put in a strong effort, particularly in the second quarter, but lowered their colours on the day to a very impressive Vermont.

Even though our numbers were down due to 4 boys being on school camps, we held our heads high. Yarran busted it in the ruck for most of the day and held his own. Brodders was rewarded for playing in front by receiving a free, from which he kicked a goal.

Nathan Baldock and Matt Lawson came up from GG's team and acquitted themselves well.

Off the Blackburn next week – the boys are a sneaky chance.

The girls started the game where they left off against the other Blackburn side last week.

The girls are now working on the 1% items, helping their team mates by shepherding and talking was a feature improvement in this week's game.

Chelsea was outstanding with her six goals; Gabby was outstanding with her work off the ball; Emily W was brilliant at the second, third and fourth efforts; Jess was impressive with her teamwork and ability to help out, and of course the four goals.

Great effort
