Match Report:

This was the clash between the two undefeated teams. The girls had prepared for a tough match...

A 7 goal to 0 first quarter set our girls up well. Everything that they had been asked to do – they delivered. The team work and unselfish play meant that they showed the true team spirit that these girls have built over a very short time.

The second quarter was a carbon copy of the first with another 7 unanswered goals.

Another 3 unanswered goals in third was achieved with some significant position changes.

The last quarter was the competition that we had hoped for with Bayswater scoring two goals to our one goal.

The girls' commitment to each other and their team is first rate. The small things like talking, presenting as an option and helping each other out are first rate. Some of the parents present have commented that the girls can teach a few of the boys teams a lesson about what a committed team can achieve.

Playing like our girls is a winning option...

Match Report:

The Boys trained really well on Wednesday night and it really showed as they played their best game for the season so far. It was so good to see them staying in their positions and there was some great team work in defence. Jacob took a couple of great marks in defence. Zane and Dan kicked a couple of goals each and there was plenty of communication with each other on the ground and also lots of handballs. Overall a great team effort, very proud of you all. Keep up the good work enjoy the week of

Match Report:

Fantastic start to B grade for the boys . We came up against Montrose and after a scrappy first ¼ , with Kahu dominating . We had a great second and third ¼ with Corey Beare leading the way . He had it about 16 times and kicked 2 goals .Trae also kicked 2 goals and as usual was all class . Will cooper had a great game and really chased hard . Cayden continues to improve and did some really good things today. Cameron and Conner worked hard as usual and got plenty of the ball. Look forward to nexts weeks game. See you all there.

Match Report:

Once again our dominance around the ground was evident for the majority of the game. Unfortunately a very small number of defensive errors resulted in goals to our opposition which really hurts in low scoring games.

We still have too many players drawn into the contest. I know everyone wants to win the footy, but we will be a much more dangerous side when we can improve our positioning around the ground. Our backline often lose their opponent when we all go chasing the footy.

TONGUE MAN took some good marks, JACKO got plenty of kicks, SAUCE was a gun ruckman, CRUSHER was a hard unit, the RUNNER was poor, WHISKERS & MONEYBAGS put their bodies on the line and got free kicks, JYE showed dash and kicked a ripper, RORZA went hard, got hurt, went hard, got hurt, went hard, got hurt all day, KEITH URBAN dominated, KEG was a huge impact at the contest, TEX ran everywhere, ANTONELLA had a headache, HI HO DESILVA used great skills, REEDY went hard at the pill, DEKLAN showed his quality skills, JAZZY was great in defence, QB kicked long and strong, THOMAS U was always dangerous, I think TASH ran the water out, NICKO was super, MACCA was knocking everyone out of the way, CHOWMAN had 12 clearances, BRAD spoke well on Sunday night, XMAN tackled really hard, WHITEY was everywhere, WISEY played a great game & TANK played like Trent Cotchin.

I was proud of the boys and can see a lot of potential within the group, we are just lacking some of the basic things that will come as the boys mature and better understand the game.

-------------------	------	----	-------------------

Match Report:

We travelled away to Montrose and had easily our best match for the season so far. This season we have had issues with accuracy with our kicking towards goal and finally we managed to rectify that issue.

The match started with a strong and spirited Eagles team raring to go, even though we were missing co-captain Billy Krieger for this match, but we were fortunate enough to have Liam Chown and Jye Carter step up from the u10s who had played at Montrose before us. The Eagles managed 4.0 to 0.2 in the first quarter, kicking straight being an issue all season but the boys came into the ¼ time huddle with heads up and extra enthusiasm for finally taking the most from the opportunities they created.

The 2nd quarter was an even better performance than the first with the boys managing 4.5 to 0.1, the backline yet again was holding strong and tight only allowing 3 points to ½ time, the centres dominant and the forwards working hard together kicking 8.5.53 to go into the ½ with a 50 point lead.

Switching many players out of their regular positions in the 2nd half may have stopped a larger winning margin, the boys gave their all and ran out 56 point winners, a very pleasing performance and an extremely enjoyable one from the sideline.

Nathan Hart was a very worthy winner of the Presidents Medal for round 8, he had a dominating match both in the ruck and around the ground, managing 2 goals and many strong overhead marks and possessions.

Hopefully the Eagles can bring the same great football to the round 9 match against Knox, both teams are sitting on 6-2 for the season in what will be a great test. GO EAGLES.

Match Report:

This week we took on The Basin at home. Although we lost we did some good things for three quarters. . Our competitiveness to the contest was pleasing if we could do that for four quarters we would be hard to beat. Riley was crashing through the packs and Ethan was as hard as ever. Billys second and third efforts was fantastic.

Next Game:	Norwood	at	Ferntree Gully Reserve
-------------------	---------	----	------------------------

Match Report:

After suffering our first loss for the season last week it was going to be interesting to see how the boys respond. The game started with us kicking into a stiff breeze which Blackburn utilised well to secure a first quarter lead of 4 goals 2 behinds 26 to 2 goals 3 behinds 15 points.

With the aid of the breeze in the second quarter and the challenge was to bridge the first quarter gap. The second quarter was an even game with the ball moving easily from end to end, with both teams scoring goals. Our inaccurate kicking left Blackburn with a half time lead of 3 points.

We needed to close the game down in the third quarter with continuous ball pressure whilst minimising Blackburn scoring. The boys did deliver a great quarter and kept the game up for grabs, with Blackburn taking a 18 point lead into the last quarter.

With the aid of the breeze and the self belief we can win this game, the boys came out strong and whilst the first half of the last quarter was close, we managed to run away late in the game to out score Blackburn 5 goals 3 behinds to just 2 behinds, securing the 7th win for the season.

Next Game:	vs North Ringwood	at	Wally Tew Reserve
-------------------	-------------------	----	-------------------

Match Report:

After a promising finish to last week, we came back to earth with a thud in the first quarter. Perry got cleaned up and Brodie did an ankle. Norwood repeatedly and systematically put the ball into their forward line into good spots and hurt us on the scoreboard. We were five goals down at quarter time.

The boys started to play in front more and competed harder. Kale kicked his second goal for the Club and it was a beauty. Our defence worked hard and held their own, despite a lot of ball coming in. Unluckily, Lewis was about to snap a goal from close range when the siren sounded. Never mind.

The third quarter was really competitive. We put Norwood under more pressure through the middle of the ground and we put together some nice passages of play. Our decision making and skills improved and we scored two majors in the third term. We lost the quarter narrowly.

The lolly snakes came out at three quarter time but they didn't really have the desired effect, as Norwood outscored us six goals to one in the last.

There were a lot of positives to come out of the game. The boys effort levels were again strong. The improvement and consistency shown by Cam and Mark in particular was pleasing. Although the score didn't indicate it, the backline again played well. Tyler's rebound was back, James and Dane were again rock solid on the fullback line and our kick outs were generally of a high standard throughout the game. There was noticeable improvement by Yarran, Chad and Eccy as they get over long term injuries.

Boys, were are proud of you.
