Match Report: On Sunday we got a bit of a lesson from a team that wanted the ball a bit more than us. When we concentrated and worked together as a team, there were some patches of really great footy - it was great to see. Mav played a great game and for the smallest guy on the team he is always prepared to go in and get the hard ball. Will showed some great improvement over the last couple of weeks and got some quick clearances out of the centre, while Dan, Jay and Mitch seem to be playing really good footy consistently now . A lot to learn from Sunday’s game. The boys have trained hard this week and I think are really ready to start to put it all together.

Match Report:

Amazing effort from the boys today . We were well beaten in the first ¼ , with Blackburn kicking 2 goals to our none but we bounced back in the second ¼ kicking 3 goals and from then on , completely dominating the game . Riley was best on ground today , in and under the packs and got plenty of ball , some of his efforts , attacking the ball were amazing , well done Riley . Tom Morrison got the ball a bit today and kicked his first goal for the club and very nearly got another one . Another kid kicking his first goal was Brock but he didn't stop there , he ended up with 2 goals and plenty of kicks , well done to Tom and Brock . Luke Thompson played well today , got plenty of kicks and is able to extract the ball out of packs and kicks long . Trae had it on a string today , with some good candy too . He got plenty of kicks and uses the ball well . Cadyn played well and got plenty of it and also chased hard to pick opponents up , very impressive . Liam Breen was silky as usual today and used the ball well . Kahu and Cameron were solid all day and Conner Nic chased hard all day , he is forever chasing opponents down and spoiling their kicks . He also took a very courages mark today , running with the flight of the ball and never took his eyes off it , diving and marking , super effort ! Could give 16 awards today and very proud of the boys , well done ans Sally , you are a gun !!

Match Report:

Surprisingly everyone got to Wally Tew before 8:30am for team photos. A huge effort from Narelle Palamara, Kylie, Ant, Craig & Sami many of whom had a big night at the Dinner Dance and may have even got a cab directly from the function?

A great performance by the boys who really wanted to play their best. It looked like every boy who played lifted their work rate and intensity by 20% compared to previous weeks.

Their coach triple teamed XMAN to reduce his contested marking, but he was still one of our best players, It looked like THOMAS U brought his own football he had so much of it, WISEY read the play and was a gun on the half back line, BIG SAUCE thought he was having a kick to kick with Mum and kicked it over her head for some great goals, TONGUE MAN took some good marks, JACKO kicked a ripper after a strong mark, CRUSHER was awesome laying fantastic tackles and providing lots of drive, RORZA dominated the stoppages giving off don't argues and winning contested footy, WHISKERS led the 1%ers, MONEYBAGS earned tough free kicks, JYE was a gun midfielder, KEITH URBAN & KEG were super strong in the packs, TEX was like a little Jack Russell terrier playing a great game, , REEDY was great in defence, DEKLAN was too big and talented, JAZZY had twinkle toes, QB played tough hard footy, TASH dirtied her new shoes, NICKO played his best game ever, MACCA stopped their best player getting a kick, WHITEY was a wizard, and TANK hunted the ball in packs and was great in the packs.

We really controlled the game and followed all of our team rules. I was rapt with the effort of some of the guys especially NICKO, WISEY, MONEYBAGS and QB who went in hard for the ball. I now expect that every week! Team management have also taken a vote and MEL (Sauces Mum) will now be goal umpire every week!

Match Report:

The game started with Blackburn kicking the opening goal. Our girls were a little sluggish to start then they turned on with the next four goals.

The second quarter saw Blackburn again add a goal to the scoreboard and our girls answer by turning on one of the most committed team games. Sharing the ball created many opportunities and another four goals saw us with a handy lead at ½ time.

The third quarter saw our girls drop off the intensity a little bit, but our backline held strong conceding only one point for the quarter, with another four unanswered goals.

The final quarter saw our girls kick nine goals two behinds which were all unanswered by Blackburn. With over ½ the team on the goal kickers list, our team minded play was of the highest standard.

The girls ability to share with each other demonstrated their willingness to look for each other which is a fantastic brand of football.

Match Report:

The best performance of the season by the Eagles against an evenly matched Knox team in a battle between 3rd (Knox) and 5th (FTG) on the ladder with only percentage separating the two teams.

The match started with the Eagles managing 2.2.14 to 0.1.1 in the 1st 1/4, yet again the backline holding strong only allowing 1 scoring shot.

The 2nd Quarter was a reversal of the 1st with Knox managing 2.0 to 0.2, the tough match we had expected with the Eagles going into the long break with only a 3 point lead, 2.4.16 to 2.1.13.

The 3rd Q was another low scoring quarter with the Eagles managing 1.2 while Knox was held scoreless, the Eagles going into the final term with an 11 point lead.

So far this match there had been 5.7 scored at the 'Waters' end of Wally Tew Reserve and only 0.3 scored at the 'Campbell' end and in the final quarter Knox managed the first 2 goals to be leading by 1 point with 5 minutes to go. With only a couple of minutes left in the game Nath Hart managed to tap the ball down to Thomas Gasparroni who snapped truly to give the Eagles a 5 point lead which the boys managed to hold on to for a hard fought win.

The whole team put in a great performance with everyone contributing, though some individual highlights in the match stood out including Mitch Pendergasts run and bounce in the final Q, Lachie Zealand moving into the midfield in the 2nd ½ and having a great impact, Aaron Williamson and Mitch Tucker holding strong all game deep in defence and Seth Gysberts almost taking out the goalpost with a frightful hit, luckily for the post it had padding!

Congratulations to Jacob Hearn in winning the Presidents medal for round 9, it was Jakes best performance this season so far, yet again playing tight deep in defence, getting his head over the ball and attacking the contest when required.

Match Report:

On Sunday we played Boronia Brown at Chandler Park. The boys came out ready to play and had a great first half, both teams were evenly matched and it was a close game for the first two quarters. The boys were a little flat after half time and we had a third quarter fade out with tired legs and a player down. Unfortunately a few minutes into the last quarter one of the Boronia boys had a injury which required an ambulance and the game was called off. We look forward to the challenge of Ringwood with one of our boys having a milestone 50 Games. Go Eagles

Match Report:

The day got off to a great start when Baggers fell off a chair during the team photo session and trashed the backdrop. Pity we didn't have the video running as we would have won the Funniest Home Video yearly first prize, no worries.

We were up against middle of the ladder North Ringwood on the main oval at Wally Tew. Robbie B's smile was like a split watermelon, as he got to use the electronic scoreboard for the first time.

Anyway, we got underway and we got a wake up call. Despite our strong efforts, the Saints' accurate kicking game got the better of us and we found ourselves seven goals down at quarter time. Our backline was a little loose and their leading forwards chopped us up.

The second quarter was even poorer, but luckily they didn't impact the scoreboard quite as much. Their rebound footy through the middle and our poor decision making and disposal made for a quarter that was hard to watch. We were 12 goals down and hadn't scored. A frank reassessment by JT at half time was needed and that's what the boys got. Trev re-set the centre square plays and off we went.

The third quarter was a revelation and was arguably our best this season. Our intensity lifted and we were first to the ball. The boys really took it on and were rewarded with a win for the quarter. It was great to hear the crowd support, in particular Robbie D hanging out the window of the coaches box.

It was on in the last quarter, as the boys realised that with a proactive mindset they could match it with the Saints. They tightened up and the match went up a notch. We narrowly lost the quarter but we put in a strong performance. Go Eagles!!
